MORE than 80 people attended the Starlight Children Foundations Small Bar, Big Cause event early last month.

Small Bar in Crows Nest raised more than \$10,000 for the foundation while the bar-goers were wine and dined throughout the evening, and entertained by local acts Studio De La Boob and DJ Brett McGrath.

Small Bar owner Chris Lane was thrilled by the amount of support the annual event received and that people were giving back to the community and helping sick kids all around Australia.
