

Conditions of Entry

Welcome back! We are so happy to be able to serve you again!

However, we have a few conditions of entry.

Upon entry there is a QR code we will ask you to scan, this can be done by using your camera on your phone. Our staff are happy to help. This will take you to a website that will ask for your full name and phone number, or email address this is under the new regulations, your information will be kept for 28 days.

We are constantly disinfecting all surfaces of the venue and hand sanitizer is provided at the bar, please help yourselves.

Staff will seat you upon arrival. We are offering bar service but to minimise contact and movement please consider having a tab running for your table, split bills are welcome. Please understand we cannot take cash at this point.

We can only seat a small number of patrons at one time, we encourage booking online to ensure you get a table. Please email olivia@smallbar.net.au or call (02) 9279 0782

If you are feeling unwell or experiencing any symptoms of COVID-19 listed on the Department of Health info sheet, please stay home. If any patron is displaying symptoms staff have the right to ask them to leave. Once you're feeling better, we will be here waiting!

Thank you for your continued support,

The Small Bar Team
